

High School Ends Hoop Season With 5 Wins In 5 Games

Conference Playoff Started As Wolverines End Good Season

The Tahoe-Truckee basketball teams finished their regular season play on a sweet note as the Varsity, Jayvee and Wolverettes combined to top off regular season play with five wins out of five games between them.

Friday night the Wolverines played spoiler once again as they knocked the Miners of Manogue out of a first place tie with Winnemucca in the Western Nevada "A" Conference while the Wolverettes were handing the Manogue Jayvees only their second loss of the season, both of them to the Wolverines.

Saturday night all three clubs motored to Stewart where the Wolverettes started things off by trouncing the Stewart girls by a 35-18 to end their regular season play with a 10 won one loss record and that was a one-point loss to the Yerington. The Jayvees kept things rolling by topping the Bucks by a 55-34 score to avenge an early season defeat at the hands of the Bucks and the Varsity ended the finest season in TnT history as they dropped the Stewart Braves 56-41 to finish fourth in conference play with a five and five record in league play and with a fine 10 won and nine loss record for overall season play.

Against Manogue the Wolverines started out to play spoiler for the second week in the row as they took a slim lead over Manogue in the opening minutes and held that lead until the fourth quarter when they fell behind two points but came on to top the Miners in one of the most exciting games ever seen on the local court by a 47-46.

Saturday night the Wolverines trounced the Stewart Indians for the second time this season as they topped them by 56-44 score to take their fifth conference win of the season. The Braves matched the Wolverines bucket for bucket during the first half with the Wolverines leading 26-23 at the intermission.

In the Jayvee games the Wolverine Cubs trailing 17 to 12 at half time poured it on to hand the visiting Miner minors their second loss of the season both to the Wolverines by a 35-31 score. High for the TNT Cubs was Ken Osburn, with 11 and followed by Gary Nollbrook and L. J. Robinson with nine each.

Saturday the Wolverines came from behind once again in the first half to win going away from the Stewart Braves by a 55-34 score to avenge an early season defeat at the hands of the young Braves who topped them in their first meeting by 36-21. Tops for the Jayvees was L. J. Robinson with 17 and followed by Ken Osburn with 14.

This ends the regular season play for both teams but last night the Wolverines met the Douglas Tigers in their first go-round of the zone tournament held in Reno at the University of Nevada gym.

The results of that game arrived too late for press time but will be carried in next week's Sierra Sun.

Mrs. Ruby Russell Weds Russ Probaco At Reno

Mr. and Mrs. Russ Probaco are receiving felicitations from their many friends, following their marriage Saturday at Reno.

Rev. Gareth Hughes performed the double ring ceremony in the presence of members of the family with N. F. Dolley and Mrs. Norman Salamon, the bride's son-in-law and grand-daughter standing beside the couple.

Mrs. Probaco, the former Mrs. Ruby Russell was attractive in an outfit in the new spring gray, completing the ensemble with a corsage of white orchids.

Probaco is employed in the dry cleaning department of Fontana's Laundry and the newlyweds are making their home in the pent house in the Truckee Hotel.

Attending the wedding were Mr. and Mrs. R. I. Hall, Mr. and Mrs. N. F. Dolley, Mrs. Salamon, Mrs. Paula Granata and daughter, Ann Granata.

DONKEYS PROVIDE FUN AT BALL GAME

Local riders of educated donkeys kept the spectators who filled the local high school gymnasium Tuesday night in a state of continued hilarity at the basketball game sponsored by the Tahoe-Truckee Unified High School PTA.

The tricky beasts bested the men, spilling them at every turn, giving a show thoroughly enjoyed by all who were able to get into the crowded hall.

RECOVERING

George Bettencourt, local accountant, reports from the Tahoe Forest Hospital where he is recovering from an attack of pneumonia, that he will soon be back on the job to assist his clients with their tax returns and other bookkeeping details. He praised the hospital staff for the care he has received.

'Phone Manager's Family Escape In Headon Car Crash

Mr. and Mrs. George Selkirk and two sons, George and Mike, narrowly escaped serious injuries Sunday afternoon at 3:30 when their car and one driven by Raymond Sullivan, San Francisco, collided headon a mile west of Colfax in a blinding rain storm.

Selkirk said the Sullivan car left a string of vehicles and started to pass them when he saw the approaching Selkirk car. Sullivan applied the brakes and skidded into the local man's vehicle, badly wrecking both cars.

Mrs. Selkirk was taken to the Tahoe Forest Hospital for examination of an injured back. The others apparently were not hurt.

Selkirk is local manager for the telephone company and had been to Stockton on a visit.

Other Mishaps

The California Highway Patrol reported four local accidents during the busy weekend. Jack Martin, Tahoe City, was jailed on a drunk driving charge after his car and vehicles operated by Raymond L. Bergman of Kings Beach and Richard J. Ruud, Los Angeles, were involved in a three-car collision Thursday two miles west of Kings Beach. No one was injured.

Saturday at 2:10 a.m. L. E. Houchins of San Francisco attempted to avoid a rolling rock on the highway four miles east of Truckee and ran into a state pickup truck driven by William Fordham of Truckee. Houchins was taken to the hospital with minor injuries.

D. J. Sullivan, Travis Airforce Base, skidded on the icy highway near Floriston Friday morning at 4:15 and his car rolled 20 feet down the bank. He was not injured seriously.

M. O. Brown, Reno, stopped his car on the highway near Soda Springs Saturday morning and it was struck in the rear by a car driven by Mrs. Marie Cassidy of Sacramento. None was hurt.

Area Advertising Offered At Show

Anyone in the Tahoe-Truckee or Donner Summit area wishing to have their circulars, cards or other advertising material distributed at the San Francisco sport and boat show from March 1 through 10 are invited by Fred Schultz, president of the Lake Tahoe Sierra Chamber of Commerce to contact him at Kings Beach before March 3 or to mail them to the Cow Palace at San Francisco after that date.

Schultz said he and others from the chamber will be pleased to distribute them from the Tahoe booth. The chamber will sponsor a booth at the show featuring P. J. Murphy's Breathless. George Phillips of Sandy Beach and others will assist in arranging and maintaining the local show.

The offer for distribution need not be confined to summer resorts and winter sport operators are also invited to send their materials, Schultz said. Nearly a quarter of a million people are expected at the show.

O. E. S. MEETING SET FOR TUESDAY NIGHT

There will be a regular stated short-form meeting of Truckee Chapter of the Order of the Eastern Star Tuesday at 8 p.m. with Worthy Matron and Worthy Patron Elmay and Wayne Philippi presiding.

At 8:30, Masons and their wives are invited to join the O.E.S. for entertainment and refreshments. All members are invited.

DISTRICT SKI RACES TO BE HELD SUNDAY

SODA SPRINGS—More than 100 racers are expected to participate in the spectacular 2800 feet long giant slalom course, set by George Zorich for the Fifth District Ski race to be held Sunday at Donner Ski Ranch.

Zorich said that there is a 1000 feet vertical drop in the course in which the A, B and C racers will take part.

STUDENTS VISIT

Mr. and Mrs. Anthony of St. Claire who have recently completed their place on Donner Lake, had 10 Stanford University students, friends of their son, Donald, as houseguests over the weekend holiday.

Plans For Airport Advance At Meet Of District Group

Commission Recommended As Group Decides To Start District

The North Tahoe-Truckee Airport Planning Committee Monday proposed the names of five members to serve as commissioners to represent the Nevada County County Board of Supervisors in the proposed formation of a local airport district.

At the same time, members of the committee from Placer County agreed to contact members of the board of supervisors in that county for the purpose of naming a commission. The two county commissions would work with the planning committee, headed by C. Edmunds, in the formation of a district.

Those proposed for the Nevada County group are Lee Apple, Zeph Rose, W. M. Englehart, Jr., Gladys Pedley and Edmunds.

It was suggested that the North Tahoe Community Club, headed by Steve Port, arrange a similar meeting at North Tahoe for March 13 to discuss the project.

The committee voted at Monday's meeting held at Smart's to authorize Harold Berliner, Nevada City attorney, to draw up petitions for forming a district.

Communications were read from state agencies offering assistance in the project.

While financing still looms as a major problem from a local standpoint, the CAA has agreed to pay more than half of any costs involved in building the field in Martis Valley. The decision to form a district will not involve financing and no action will be taken on that score until after a district has been formed to prevent dual taxation in event either Nevada or Placer decided to form a county-wide airport district which would include both North Tahoe and Truckee.

THIEVES FOILED IN STATION ROBBERY

An attempt to rob the safe at Oil City, a service station near Donner Lake operated by Ken Frederickson failed sometime Tuesday night and the thieves escaped with only \$1.12. A dollar bill fastened to the wall and 12 cents in cash was all that was missing.

Emery Lander, deputy sheriff who investigated, said the thieves broke a rear window with a rock and after entering the station tried vainly to break open a floor safe and a telephone coin box. Articles of value in the station were not molested, the thieves apparently being after cash only.

POLIO CLINIC HERE SET FOR MARCH 5TH

Attention is again directed to the next adult polio inoculations which will be held on March 5 from noon until 2 p.m. and from 5:30 to 7:30 p.m. in the public mobile unit to be stationed on the main street. Approximately one month later another clinic will be conducted in either the mobile unit or the Truckee elementary school.

After deducting the cost of the vaccine, all proceeds will go to the March of Dimes. Dr. L. D. Nelson and Dr. Ben King, assisted by Health Nurse Charlotte Patnoudé will donate their efforts.

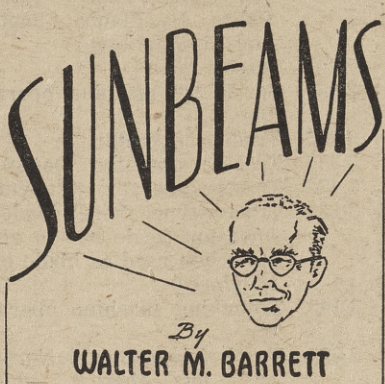

Weekend Proves Winter Sports Bring Big Crowds

That this area is speedily becoming as popular in winter as during summer months was indicated during the weekend when every resort, hotel and motel, open in the region was filled to capacity.

Gar Berry and Mrs. Carrie Hadsall of Homewood Resort, open for the first winter season in several years, reported they were filled to capacity with visitors from Los Angeles, the bay region and Sacramento.

Reno reported business "like the Fourth of July" and despite the chilly and stormy weather, many people spent the night in their cars, unable to secure accommodations.

Service stations and garages did a land-office business as cars lined up for hours to take turns for chain service. Report of from eight to 15 miles of bumper to bumper traffic were frequent.

It becomes increasingly evident that the California Fish and Game Commission is not particularly interested in the wishes of the sportsmen in areas they serve. Total disregard of letters and personal pleas that Truckee and nearby communities offered in protest to restricting 10 miles of the Truckee River to fly fishing, bore further evidence of this attitude. The commission was adamant in its determination and followed out its intent despite the many protests from sportsmen. This, we feel, would not have happened if changes in the rules and regulations affecting fishing and hunting were left to the legislature as in years past. Legislators are more inclined to reason with constituents on matters affecting any given area. Commissioners, on the other hand, may take any action they deem advisable or desirable without fear of reprisal at election time. Sportsmen are not always right in their demands, but the unanimity of the recent request to leave the Truckee River open to all legal fishing should have had considerable more weight than was recognized. The unquestioned power of one man's opinion in matters concerning so many is not the way we like to see public affairs operated, either in fish and game or in any other department of our government.

Precipitation Here At Season Normal

TAHOE CITY—Nearly four inches of precipitation was recorded at Tahoe City during the storm which began last Thursday and continued through Sunday, according to a report from Art Frodenberg, cooperative observer.

Although nine inches of snow fell during the storm, it was dissipated by the rain alternating with the snow and Monday 21 inches of snow was reported at Tahoe City.

The lake level Monday stood at 6227.89 feet with only 20.6 cfs of water leaving the gates. The temperature has ranged from 31 to 42 degrees during the week.

Rains of the week appreciably reduced the snow pack to 13 inches on the ground Wednesday, heightening the total precipitation for February to 5.76, with normal for the same period 5.29.

Total precipitation figures, to date for the season are 19.53, the normal being 19.43, according to Henry Tocciani of the U. S. Forest Service.

High temperature for the week was on Monday when 45 degrees were registered, Wednesday morning showing the week's low of 30 degrees.

Story Of Lost Boys On Summit Is Exaggerated

A report that two Los Gatos boys, Mike Green and Mike Warner, each 17, were lost in the Donner Summit area during the weekend, were found exaggerated when it was learned from companions that the two were simply sitting out a lousy rain and snow storm in a Sierra Club cabin near Mt. Anderson.

The two had snowshoed in with friends who were equipped with skis. The slushy snow made it difficult for the two to return so they decided to wait in the warm, well provisioned cabin for more favorable snow conditions.

Their companions returned to Soda Springs Sunday to relieve worried parents and friends. The two were expected back Tuesday.

FISH PLANT MEET MONDAY

Officials of the department of fish and game will be at Capitol Hall Monday at 7:30 p. m. to tell local sportsmen of the plan for fish planting during the coming season. All sportsmen are invited to attend.

SIERRA SUN ADS PAYI

Property Owners In Squaw Oppose Park Land Project

Group Votes To Request Senator To Modify Pending Bill

Opposition to a resolution by the division of beaches and parks to add another \$2,500,000 to S.B. 1774, to provide for the acquisition and purchase of nearly 4000 acres of privately owned land in Squaw Valley to become a state park following the 1960 Winter Olympic games has been voiced by the Squaw Valley Property Owners Association.

The group met Friday night and the 22 members present unanimously adopted a resolution asking that Senator Harold T. Johnson's bill be amended from its present form, which asks for an additional and required \$2,990,000 to make the facilities permanent, and for needed utilities and provides for condemnation right by the California Olympic Commission.

The land owners asked that the right of eminent domain granted the commission under the bill be stricken out. They do not oppose the added funds required but apparently will not approve the \$2,500,000 asked by beaches and parks for acquiring the land.

Richard Barrett, president of the association, told the group that Alan Bartholemey, executive director of the Organizing Committee, stated the plan of the park commission to turn the entire valley into a park would jeopardize the games.

Barrett said Senator Johnson had previously advised him that approximately 85 acres of land owned by Mr. and Mrs. Wayne Poulsen would be the maximum required for the game facilities. This it was hoped by all concerned, could be obtained under agreement with the owners and that the condemnation proceedings would be unnecessary.

Daughter Of Sugar Bowl Couple Is Honored For Scholastic Achievement

Miss Anna M. Haug, daughter of Mr. and Mrs. Walter E. Haug of Sugar Bowl, Norden, is one of four seniors signally honored at Washatch Academy, Mt. Pleasant, Utah, by the National Merit Scholarship Corporation for distinguished performance in its nation-wide search for students of unusual ability.

The announcement was made this week by Roger Hansen, superintendent of the academy. Miss Haug with the other three outstanding students, has also been named Utah state runner-up in the 1957 Merit Scholarship Competition.

"The seniors honored are among the top one or two percent in ability in the state," according to John M. Stalaker, president of N.M.S.C. "While they do not quite reach the finals of the 1957 Merit Scholarship competition, their unusual promise deserve recognition. Indeed, we want to encourage every one of them to make a special effort to obtain the best college education possible. Both student and country will profit."

As state runners-up, these students will be sent letters of recommendation by N.M.S.C. for use in applying to the colleges they wish to attend.

Approval Given To Map Filing On Local Tract

Ending finally a matter which has been discussed for some months, the Nevada County supervisors gave approval to filing a subdivision map by O. I. Gifford of Truckee for the Cottage Grove Subdivision.

This map had been tabled time and again in effort to seek some solution to Gifford's problem of having only a 40 foot entrance road for a distance of about 90 feet with the county requiring 60 feet for all subdivision roads.

The map was accepted for filing on the grounds that as long as the road remains at only 40 feet it will not be accepted into the county system and must remain a private road privately maintained. Gifford was cautioned by the supervisors to advise his buyers of this situation.

Betrothal Luncheon—

Mrs. Nat' Quilici was a guest at the dessert luncheon February 17 at Reno when Mr. and Mrs. Julius Quilici announced the betrothal of their daughter, Miss Ann Quilici to Frank Lepori of Sparks.

Lowell Thomas To Make Newscasts From Local Depot

Truckee Tuesday officially and warmly welcomed Lowell Thomas upon his return after an absence of five years, and that internationally known traveler and lecturer made his first broadcast that day on the current visit from the Southern Pacific depot.

Newscasts will be made daily at 3:45 p.m. and visitors are welcome to attend the broadcasts if they arrive at the CBS "studio" by 3:30 p.m. Only one live newscast is made daily, the second at 6:15 p.m. being a recording with fill-ins of latest news flashes from all over the world.

Monday Thomas made his broadcast from the City of San Francisco enroute to Sugar Bowl on Donner Summit where he is enjoying the skiing off Mt. Lincoln. Later this week he will go to Squaw Valley where he will inspect the site for the 1960 Winter Olympics and participate further in his favorite sport.

Thomas said the reason for his lengthy delay in returning to Truckee was due to a new interest—Cinemas—to which he is devoting considerable time.

Members of the chamber of commerce greeted Thomas upon his arrival and placards displayed in store windows left little doubt of the famous visitor's welcome. The "studio" was made ready with carpeting and special S.P. police assisted Earl K. Stice, Truckee agent, in providing conveniences for the veteran newscaster.

Thomas is accompanied by his radio family including Mr. and Mrs. Gene Nix who are well known here as a result of previous visits.

Thomas will be here all of this week and while in the West is making arrangements for presenting his third Cinemas, "Seven Wonders of the World," in San Francisco.

BROWN'S CAFE WINS IN TAC HOOP SERIES

With their 37 to 24 win last Thursday over the St. Louis team of the Truckee Athletic Club's basketball league, Brown's Cafe became undisputed winners of the series.

Last night the play-off started and will continue tonight and Friday night.

WELCH TELLS CLUBS INCORPORATION PLAN

Hal Welch, past president of the Truckee Chamber of Commerce and chairman of the committee studying the feasibility of incorporating the area into a city, spoke before the Truckee Lions Club last Wednesday, outlining the progress of the committee to date and giving figures which indicate the benefits to be had from incorporation.

Welch made a similar talk before the Rotary Club at their meeting last week.

Visitors at the Lions last Wednesday included Ken Hedlund, and Dick Runckle. Roy Waters presided and William Englehart, Sr., was program chairman.

Vanderbilt Ski Race To Be Summit Attraction

SODA SPRINGS—The Warren Vanderbilt Memorial Intercollegiate ski meet, sponsored by the University of California Ski Club, will be held at Sugar Bowl on March 1 and 2 and at Granlibakken on March 3.

This race, honoring Cal's first ski team captain and best downhill man in any western college before his death in 1937 as a result of a rock climbing accident at Clipper Gap, was first held in 1938—one of the earliest ski meets to be held in the West. It has now become one of the most important of the western intercollegiate ski meets.

North Tahoe District Defendant In Action

AUBURN—Damages totaling \$110,000 are asked from the North Tahoe Public Utilities District in a suit, filed in the superior court by Lily H. Mooney.

The plaintiff claims the district is responsible for discharging sewage on her property and for contaminating Trout Creek, which runs through her property.

She asks an injunction, restraining the district from committing further nuisance, \$80,000 damages from the district, and \$30,000 damages from the directors.

River Restriction Voted Despite All Protests Received

Commission Adherent After Sportsmen Protest Determination

Disregarding the requests of local interests the state fish and game commission last week restricted 10 miles of the Truckee River from Hirschdale to the state line to fly fishing. This section will replace the seven miles from Truckee to Boca which was restricted last year but which has been reopened to all legal fishing.

Jack Waggoner, president of the Truckee Outdoor Sportsmen, appeared before the commission to express the desires of his organization and that of other local interests. A large number of letters from other organizations and individuals were sent to ask that the restriction be terminated, but the commission took an adamant position.

At the same time the commission announced it has asked the fish and game department to recommend rivers in all parts of the state for exclusive use by fly fishermen.

The commission asked for broader powers from the legislature, which has been inclined to reduce the powers of the group.

Beating the legislature to the punch, the commission threw out the either-sex deer hunts, such as were held last fall, until it gets power to limit the number of hunters in any area.

The commission has banned the use of meat for trout bait but did not rule out cheese. They kept the bag limit at 15 for the 1957 season. There were few other changes in the regulations for the coming season.

The first either-sex deer hunt in 1956 in 38 counties of the state was declared by the commission to have been "unsatisfactory."

Student Speakers Start Area Contest

The 20th annual Lions Club student speakers contest got underway on Monday, February 25, as six students from Tahoe-Truckee High School competed in the qualifying contest held at the school. Miss Nikki Ann Wing from Kings Beach was adjudged the winner, speaking on the theme for this year, "My Place in the World of 1976."

The five finalists, along with Miss Wing, will speak next at the club level, with the winners moving on to the zone finals. Linda Loynd, Sandra Frank and Janice Gray will appear at the Brockway Lions Club on Tuesday, March 5, while Bob Williams, Beverly Gunkel and Nikki Ann Wing will appear at the Truckee Lions Club on Wednesday, March 6. Walt Mandeville is chairman of the event for the Brockway Club and John S. Corbin is directing the Truckee Club contest.

Cub Scout Dinner Here Attracts Big Gathering

Seventy-five Cub Scouts and their families attended the pack meet and potluck dinner in the high school cafeteria Monday evening when James Morhain, district governor of the 20-30 Club and James Pringle, secretary of the local branch of the service group presented the Cub Scout Pack with a new charter, as the sponsoring organization.

Presentation of awards, skits and songs rounded out the program which will be retained by the series of pictures taken of the event by Sgt. Frank Snyder.

Lenni Vind, son of Mr. and Mrs. Chas. Vind who is a patient in Tahoe Forest Hospital will be presented with the bobcat badge and Dave Sorani received his bear badge and Ed King was also presented with the lion badge at the meeting.

BAKER NOMINATED TO HEAD LAKE CLUB

KINGS BEACH—Fred Baker was nominated for the presidency of Brockway Rotary Club at Monday's meeting.

Don Barkhurst was nominated vice president; E. J. Stokes, secretary; Richard Springer, treasurer and H. E. Brooks, Robert Howell and Allen Sklar, directors. Roy Porath, Fred Schultz and Sam Faulkner were named by President Brooks to serve on the Fleischman Foundation. Leon Barker led a discussion on opics of community interest.

BIRTHDATES

It's birthday time for David Goldsmith, son of Mr. and Mrs. John Goldsmith who celebrated his natal date yesterday as did Dale Eaton, son of Mr. and Mrs. Harry Eaton.

Vicki, daughter of Mr. and Mrs. Nace Firpo was feted on Tuesday on her birthdate.

Mrs. C. B. White is the center of attention from her family and friends today who are sharing her birthday observance.

STATE OF CALIFORNIA DEPARTMENT OF PUBLIC WORKS DIVISION OF HIGHWAYS NOTICE TO CONTRACTORS

Sealed proposals will be received at the office of the State Highway Engineer, Room 510, Public Works Building, Sacramento, California, until 2 o'clock p.m. on March 6, 1957, at which time they will be publicly opened and read in the Assembly Room of said building, for construction on State highway in accordance with the specifications therefore to which special reference is made, as follows:

Nevada and Sierra Counties, between 0.5 mile east of Floriston and Nevada State Line (III-Nev, Sie-38-B.A.), about 5.4 miles in length, to be graded and paved with Portland cement concrete on cement treated subgrade and a reinforced concrete slab bridge to be constructed.

Bids are required for the entire work described herein.

The attention of bidders is directed to the fact that the work herein proposed to be done will be financed in whole or in part with federal funds and that therefore all of the applicable federal statutes, rules, and regulations will apply to such work.

The attention of bidders is particularly directed to the provisions of Section 7, article (a), subarticle (6), of the Standard Specifications regarding the use of domestic materials; to the provisions of Section 8, article (b), of the Standard

Specifications regarding assignment of the contract; to the requirements of Section 7, article (h), of these special provisions regarding non-collusion among contractors; to the requirements of the special provisions regarding subcontracting; and to the prevailing wage rates predetermined by the Secretary of Labor as provided in Sections 5 and 7 of the special provisions.

Minimum wage rates for this project have been predetermined by the Secretary of Labor and are set forth in the special provisions.

In accordance with the provisions of Section 1770 of the Labor Code of the State of California, the Department of Public Works has ascertained the general prevailing rate of wages applicable to the work to be done to be as follows:

Rate	Classification
\$3.095	Asphalt labor engineer
3.00	Carpenter
2.995	Cement finisher (journeyman)
2.705	Concrete mixer operator (up to one yard)
3.035	Concrete mixer operator (over one yard)
3.095	Concrete saw operator (self propelled unit)
3.095	Heavy duty repairman
3.095	Mechanical finisher operator (concrete or asphalt) (highway or street work)
3.255	Operator of power shovel and/or other excavating equipment with shovel-type controls (up to and including one yard)

3.425	Operator of power shovel and/or other excavating equipment with shovel-type controls (over one yard)
3.00	Painter (Nevada County)
2.55	Painter (brush) (Sierra County)
3.255	Power grader operator (power planer motor patrol or any type power blade)
3.15	Reinforcing iron worker
2.325	Road oiler
3.095	Roller operator
3.255	Rubber tired heavy duty equipment operator (Tournapull, Jeep, Terra Cobra, La Plante Choate and similar type)
2.705	Screen man
3.095	Spreading machine operator
3.095	Tractor operator
2.255	Tractor operator (boom)
3.425	Tractor operator (tandem)
3.255	Tractor-type shovel loader operator (scale not to apply when used as blade or bulldozer)
3.145	Trenching machine operator
2.625	Truck driver (6 cubic yards and less than 8 cubic yards water level)
2.85	Truck driver (8 cubic yards and less than 12 cubic yards water level)
2.85	Truck driver (12 cubic yards or more water level)
Intermediate Grade Labor	
2.575	Asphalt ironer and raker
2.595	Apprentice (oilier, fireman, watchman)
2.575	Blaster—powderman
2.48	Bootman
2.765	Boxman or mixer box operator (concrete or asphalt plant)
2.575	Chainsaw operator, faller, log loader and buckler
2.575	Driller (diamond, core, wagon and other mechanical drill)
2.425	Driller's helper, chuck tender, outside nipper
2.705	Fireman in hot plant
2.575	Header board man
2.595	Heavy duty repairman helper
2.575	Jackhammer operator
2.425	Operator of vibrators and all pneumatic, gas and electric tools
2.575	Pipe layer, caulker, bander
2.425	Sloper
2.325	Truck driver (less than 4 cubic yards water level)
2.465	Truck driver (4 cubic yards and less than 6 cubic yards water level)
Unskilled Labor	
2.325	Flagman
2.325	Laborer
2.325	Limber, brush loader and piler

The minimum wage paid to all skilled labor, for which rates are not shown above, shall be not less than \$2.325 per hour.

The minimum wage paid to all intermediate labor, for which rates are not shown above, shall be not less than \$2.325 per hour.

The minimum wage paid to all unskilled labor, for which rates are not shown above, shall be not less than \$2.325 per hour.

Overtime—not less than one and one-half (1½) times the above rates.

Sundays and holidays—not less than one and one-half (1½) times the above rates. The holidays upon which such rates shall be paid shall be all holidays recognized in the collective bargaining agreement applicable to the particular craft, classification or type of workmen employed on the project.

In the event there is a difference between the minimum wage rates as predetermined by the Secretary of Labor and the prevailing wage rates as determined by the Department of Public Works for similar classifications of labor, the Contractor and his subcontractors shall pay not less than the wage rate which is the higher of the two.

Plans may be seen, and forms

NOTICE OF GOVERNING BOARD MEMBER ELECTION AND COUNTY BOARD OF EDUCATION ELECTION

Five members of Sierra College Junior College District.

Two members of Tahoe-Truckee Unified School District Unified School District.

One member of Placer County Board of Education.

NOTICE IS HEREBY GIVEN TO THE VOTERS OF THE ABOVE DISTRICT OR DISTRICTS OF THE County or Counties of Placer and Nevada, California, that the Annual Election for members of the Board or Boards of the said district or districts will be held on the third Friday of May, namely, May 17, 1957, for the purpose of electing the number of members of the governing boards of the districts as indicated above.

The polls will be located at:
Precinct No. 1—Donner Trail School.

Precinct No. 2—Kings Beach School.

Precinct No. 3—Floriston School.

Precinct No. 4—Tahoe Lake School.

Precinct No. 5—Truckee Elementary School.

The polls will be kept open between the hours of 7 o'clock a.m. and 7 o'clock p.m.

The election returns will be canvassed at 10 a.m. o'clock on June 3, 1957, by the county superintendent of schools at 138 Maple Street, Auburn, California.

Deadline for the receipt of ab-

of proposal, bonds, contract, and specifications may be obtained at the office of the State Highway Engineer, Public Works Building, Sacramento, California, and they may be seen at the offices of the District Engineers at Los Angeles and San Francisco, at the office of the District Engineer of the district in which the work is situated, and at the office of the Associated General Contractors in San Francisco.

No bid will be considered unless it is made on a blank form furnished by the State Highway Engineer and is made in accordance with the provisions of the Proposal Requirements and Conditions set forth under Section 2 of the Standard Specifications. Each bidder must be licensed and also prequalified as required by law. (See said Proposal Requirements and Conditions.)

The Department of Public Works reserves the right to reject any or all bids.

NORTH TAHOE

By JUDGE HARRY CHARRISON

The Weather

Saturday morning and peculiar weather. It rained pretty much all night and at 6 a.m. turned to a mixture of snow and rain, about two inches deep now at noon, the temperature is 34. Not bad out, just a little windy, and the roads are just wet. Lots of people here. It is estimated that there are from 1000 to 1500 at the resorts at Crystal Bay with 2000 at Squaw Valley and Granlibakken. This long weekend has certainly put North Tahoe right on top as a winter resort.

On The Job

Sure was nice to see our president of the Lake Tahoe Sierra Chamber of Commerce on TV last week. He did a swell job, too, a true fish story for a change, and all about the ski resorts. These reports are, as Fred Schultz said, the best that have been sent out to the public at any time in the past, giving a true picture both of

the road condition and the amount of snow at the several resorts. I am sure it would be a pleasure for Fred to give any information on any of the above subjects if you are in doubt.

What Again?

Yes, again, after all the weather is the main topic around this area. This is Sunday morning, rain through the night, and a sleet this morning. Reports around the area tell of more people than could be housed. I had calls about rooms or cabins, but nary a one could be found. It would seem if we invite people up here we should be prepared to take care of them, huh?

Birthday Wishes

Mrs. Wiley Jones celebrated her birthday last Friday. Her age? Well she wouldn't tell, as she put it she couldn't tell a lie on Washington's birthday, at any rate she celebrated it in great style. Lots of presents. I saw Wiley go home with his arms loaded. We hope you have lots more happy ones, Bernita.

Sickness

Very sorry to hear that Marshall Gordon's mother had had a stroke.

Mrs. Gordon is living in Los Angeles and Marsh made a quick trip down. We are hoping there will be a big improvement by this time.

Another Birthday

Nolan Little had a birthday last February 21. He doesn't mind his age, so he is now 18 and a fine big boy too. He reports a real good time.

Vacationing

Ed and Pearl Francis, Ed, by the way is with the North Tahoe Utility District, are leaving today for San Carlos where they have a home. Pearl tells me they have her mother and family there, and expect to be there around 10 days to two weeks.

Thanks

Wiley Jones says he wishes to thank the members of the Tahoe City Women's Club for their wonderful assistance with the March of Dimes. He says they did a wonderful job for the great cause.

Coming Back

Davey Ashton was telling me Chuck Redd, a former teacher at Truckee was a visitor last week, and that he is attending UC and

the youngsters will be happy. I am sure, to know that he intends to come back to teach at the Tahoe-Truckee High next fall. He was also a visitor at the Dick Laverys' home last week.

Original

The L. P. Waters have the most original name for their apartments and home on the highway. Was surprised to see a sign "The Waters of Tahoe," and Mrs. Waters tells us that she was the originator of the name. I think its real cute and clever.

Vibrations

Clarence S. (Butch) Beavers tells of standing outside the Elks Club in Reno on the day of the explosion. Received a few bruises and the concussion caused some internal bleeding. He is coming out of it now. It was too close, though.

Firemen's Ball

Here it is again. One of the most colorful events of Tahoe City, it's the annual Firemen's Ball at the Tahoe Inn is to be held on March 16, the night before St. Patrick's at 8 o'clock. Pete Vanni tells me there will be a buffet,

dancing to a live orchestra, balloons, and everything that goes to make a wonderful night for everyone. It is hoped that a good number will attend from the Kings Beach area as well as Tahoe City. This is a give-away at \$1.50. Let's all go, huh?

New Citizen

Have been waiting to tell the story. Here it is, Mr. and Mrs. George Mason of the Tahoe Biltmore Hotel became the proud parents of a beautiful baby girl at 10 p.m. last Sunday night at the Tahoe Forest Hospital with Dr. Prescott attending. The little girl weighed eight pounds eight ounces, and her name is Karen Lee. We just can't wait to see her. Congratulations George and June.

Visiting

Flo Klitzke had her parents up over the holidays, they were from North Hollywood. Also Don Vance and family with a few friends were up in their home on the golf course, leaving on Monday for the bay area.

Bright

Doggone it, I just can't resist

ORDER NO. 1

TRUCKEE SANITARY DISTRICT APPROVING PETITION FOR ANNEXATION, DESCRIBING TERRITORY TO BE ANNEXED, AND ORDERING ELECTION ON ANNEXATION

THAT WHEREAS, pursuant to Section 6840 of the Health and Safety Code of the State of California, a petition for annexation of certain territory to said Truckee Sanitary District has been heretofore filed; and

WHEREAS, pursuant to Resolution No. 4 of the Board of Directors of said Truckee Sanitary District, said District did call for a hearing on said petition on the 29th day of January, 1957, and did cause notice thereof to be given for the time and in the manner required by law, including Section 6844 of the Health and Safety Code of the State of California; and

WHEREAS, pursuant to Notice of Hearing, at the time and place and on the date specified therein, a public hearing was had in reference to said petition for annexation, at which said public hearing no protests were made or filed opposing said annexation, and evidence in support of said petition having been presented, and the Board of Directors having considered the same and being advised in the premises,

NOW THEREFORE, IT IS HEREBY DECLARED AND ORDERED BY THE BOARD OF DIRECTORS OF TRUCKEE SANITARY DISTRICT, as follows:

1. That the PETITION FOR ANNEXATION, heretofore filed with this Board on the 15th day of January, 1957, be and the same is hereby declared approved, said Petition for Annexation having been duly presented, signed by at least 25% of the freeholders residing in the territory, therein described to be annexed, and duly verified by Charles P. Vind, one of the petitioners;

2. That the lands within the exterior boundaries of the area proposed for annexation will be benefited by such annexation;

3. That the territory proposed for annexation is situated in County of Nevada, State of California, and the exterior boundaries thereof are more particularly described as follows:

All that territory lying within the following described bounds, outside the bounds of the existing District and contiguous thereto;

Commencing at the point of intersection of the north-south center line of Section 14, Township 17 north, Range 16 east MDB&M, with the boundary line common to Placer and Nevada Counties, (being the south quarter corner of said Section 14) running thence northerly along said north-south center line, 7920 feet more or less to the center of Section 11; thence westerly along the east-west center lines common to Sections 11, 10 and 9, 10560 feet more or less to the center of Section 9; thence southerly along the north-south center line common to Section 9 and 16, 7920 feet more or less to the southern quarter corner in said Section 16, (being the point of intersection of said north-south center line with the boundary line common to Placer and Nevada Counties); thence easterly along the southern boundaries of Sections 16, 15 and 14, 10560 feet more or less to the point of beginning, all in Township north, Range 16 east, MDB&M.

4. That pursuant to Section 6847 of the Health and Safety Code, it is hereby ordered that a special election shall be held on the 12th day of March, 1957, for the purpose of determining whether or not the territory hereinabove described shall be annexed to said Truckee Sanitary District;

5. That said special election shall be held and conducted, the votes thereof canvassed, the results thereof ascertained and determined, as herein provided, and in all particulars not so prescribed by this Order, said election shall be held according to the provisions of law governing elections in the District.

6. That the polls at the polling places hereinafter designated shall be open from 1:00 o'clock P.M. of said day of election to 7:00 o'clock P.M. of said day, at which time said polls shall be closed, and the election officers shall thereupon announce the votes, and deliver the ballots to the President or Secretary of said District, and the Board of Directors shall, as soon as practicable, canvass the ballots;

7. That for the conduct of said special election there shall be two election precincts comprising the territories hereinafter designated; that the precinct election Boards shall be comprised of one inspector and two judges each; and that the polling places and election officers on said precinct election Boards which are hereby appointed to conduct said special election are as follows:

Precinct No. 1—Comprising all territory now within the exterior boundaries of the Truckee Sanitary District.

Polling Place—Precinct No. 1—Truckee Justice Court office, Main Street, Truckee, California.

Election Officers—Precinct No. 1:
Inspector: Lucille Bick
Judge: Lenore Vind
Judge: Dolores Curran

Precinct No. 2—Comprising all territory within the area proposed to be annexed.

Polling Place—Precinct No. 2: Curran Distributing Co. Office, Main Street, Truckee, Calif.

Election Officers—Precinct No. 2:
Inspector: Dorothy Rose
Judge: Dorothy Leamon
Judge: Margaret Copeland

8. That the ballots to be used at said special election shall be in substantially the following form:

No. (This number to be torn off by Inspector)

MARK CROSSES (X) on BALLOT ONLY. WITH RUBBER STAMP. NEVER WITH PEN OR PENCIL (ABSENTEE BALLOTS MAY BE MARKED WITH PEN AND INK OR PENCIL).

(Fold ballot to this perforated line, leaving top margin exposed.)

OFFICIAL BALLOT
TRUCKEE SANITARY DISTRICT
Nevada County, California
ANNEXATION
SPECIAL ELECTION
MARCH, 12, 1957

INSTRUCTIONS TO VOTERS:

To vote of any proposition, stamp a cross (X) in the voting square after the word "YES" or after the word "NO." All marks, except the cross (X) are forbidden. All distinguishing marks or erasures are forbidden and make the ballot void. If you wrongly stamp, tear or deface this ballot, return it to the Inspector of Election and obtain another. On absent voters' ballots mark a cross (X) with pen or pencil.

Proposition No. 1—For annexation to the Truckee Sanitary District

Proposition No. 2—Against annexation to the Truckee Sanitary District

9. Each voter to vote for the proposition hereby submitted shall stamp a cross (X) in the blank space to the right and opposite Proposition No. 1 on the ballot, and to vote against the proposition hereby submitted shall stamp a cross (X) in the blank space to the right and opposite Proposition No. 2.

10. The Clerk of the Board of Directors of Truckee Sanitary District is hereby authorized and directed to give notice of said annexation election by posting copies of this Resolution and Order in three public places within the District and within the territory proposed to be annexed for four successive weeks prior to said election and by publishing the same for a like period of time in a newspaper published in the District.

Passed and adopted this 29th day of January, 1957, by the following votes:

Ayes: Seibold, Mattos and McIver
Noes: None
Absent: Osburn and Curran
R. W. SEIBOLD,
President of Board of Directors
of Truckee Sanitary District

Attest:
JOHN J. McGLADE
Clerk and ex-Officio Secretary thereof.

NEWS NOTES FROM TAHOE

By Naomi McLane
Wet Weekend

A wet weekend indeed. The kind that makes one doubly grateful for four walls—and a roof—and a fine warm fire. And for some obscure reason reminded me of that beautiful toast quoted in "It Can Happen Here." "To home—its floor is the earth; its roof is the sky."

On Vacation

A note written on the menu of the SS Flying Independent from Ben and Jean Callender of Callender's Lodge in Homewood sounds as if they are having a wonderful vacation. They had just gone through the canal into the Caribbean Sea and say, "The canal is something the U. S. can be proud of building and we wish everybody could make the trip." (I do, too!) They were enroute to Puerto Rico and noted the average temperature as 84. But like all good travelers they are looking forward to their

return to Tahoe.

Women's Club

Mrs. Don Snyder, president, announces that the Women's Club of Tahoe will hold its next meeting, March 7, at 12:30 at the home of Mrs. Dick Clark in Kings Beach. After luncheon and a short business meeting, cards with prizes will be the order of the day. The Clark home is right across from the Riolo Inn in Kings Beach.

On March 8 (fun night), a bingo party will be held by the Women's Club in the Community Hall at 8 p.m. Mesdames Don Rieck, Jack Martin, and Ernie Le Pire are the committee in charge of this affair. Everyone is invited. There will be a door prize and dessert will be served.

Birthday Party

The wet weather did not dampen the party spirits of Donnie Stowe, just turned nine, nor of his guests who joined him Saturday afternoon at his home at Tahoe State Park to celebrate the occasion. Pat Dempsey, Don Bury, Jimmie Roth of Truckee, Bruce Strickler of Donner State Park, Greg Moore, Jeff McLane, Tommy Rukhala, and Tommy's cousin, Mike Griffin of Rocklin, all helped him become a year older.

Baby Daughter

Another birthday in this month of great birthdays should not go unnoticed. Little Karrie Stueven was born February 12 at the Tahoe Forest Hospital. She weighed

in at seven pounds and 12 ounces. Her proud parents are Mr. and Mrs. Hank Stueven, who live near Timberland. Janet Verner, sister of Cathy Stueven, is visiting for two or three weeks while the new baby gets settled into her new family.

In Minnesota

Ray and Irene Grahm left this week for a three weeks' holiday in Minnesota. They are taking their daughter, RaeLee with them. Irene Le Pire will look after the older children and the baby in their parent's absence. This will be the first time in 11 years that the Grahms will have seen their relatives, on both sides, there. Irene hopes to bring back some antiques on their return.

Back From Trip

Vacationists just returned are Mr. and Mrs. Jack Dunne who took a few days off last week to visit their daughter in Sacramento and to go on down for a leisure circuit of the Monterey and Carmel country. They drove down the valley and returned by coast Highway 1. While in Monterey, Jack was hailed in the street by Paul Griffith, former supervisor of the state park here in Tahoe City. Griffith, former supervisor of the Sur Park, south of Carmel.

Nursery School

Nursery school parents held a work night at the nursery school this Wednesday. Chairs and tables were painted a fine sparkly green and all toys needing it were repaired and put into commission.

Fun Night

Do not forget the fun night tonight at the Community Hall, sponsored by the Squaw Valley-Lake Tahoe Ski Club. Everyone is welcome.

Guest Speaker

Mrs. Charlotte Patmoude was guest speaker at Tahoe Lake PTA this week. Her subject was on our children and their health. President Mable Nielsen presided over the brief business meeting.

Holiday Party

The holiday weekend for the "younger youngsters" began with a party at the home of Mr. and Mrs. Wayne Morrow. Karla Kiser was hostess to several of her schoolmates for an evening of games, refreshments and dancing. Among her guests were: Mike Wright, Howard Cincotta, Grant and Gary Burner, Mike Marvin, Danny Conners, Steve Yeager, Don Bradley, Janis Gianninni, Gail Callahan, from Mountain View, Danelle Pomin, Karen Henry, Patsy Cook, Erica McLane, Sandy Fellows, Sandra Snyder, and Janet Verner. Kirtie Kiser assisted her mother, Virginia Morrow, in directing the games and serving refreshments.

Daughter Christened

Marshall and Joanne Rukhala drove down to Rocklin with the children to have their little nine-month-old daughter, Susan Elizabeth, christened by the same pastor who has christened both the boys. The pastor comes to Rocklin once a month from Berkeley. Susan Elizabeth's aunt and uncle, Mr. and Mrs. Kent McMillan of Citrus Heights, stood as godparents to their little niece. A family party was held after the christening service.

Play Golf

Spring is on its way as witness the golf meet that Tahoe City Golf Club members will attend this Friday, Saturday, and Sunday in Pittsburgh. Angie Bonino, former pro of the club here has extended the invitation. Among local members taking part in the team match are Steve and Wilma Korich, Dennis and Billie Sach, Marshall Rukhala, Tony and Eve Donadio, if they return from Mexico in time; Floyd and Beulah Carnell, Ernie Le Pire, N. R. Mayfield, Harry Weigandt, Lee Baker, Jean Henry, Martin and

School News

DONNER TRAIL SCHOOL

Albert Eberhart left with his parents to visit relatives at Palo Alto and at Petaluma over Washington's birthday holiday weekend. Tommy Tirkeldsen is expecting several aunts, uncle and cousins over the holiday at his house.

The class is using some of the money it earned to purchase a 12 volume set of junior classics.

TRUCKEE ELEMENTARY

Kindergarten: (Teacher, Dee Osborn.) We received a letter from Yvonne Johnson telling of her experiences with farm life in Ohio where she is visiting relatives.

First Grade: (Teacher, Helen Camp.) Jennifer O'Bear is ill with the mumps.

Barbara Spitsen, Elsie and Howard Martin, Don French, Bill Conners, Pat Fox, Bill, Parky and Carl Bechdolt and Ala Lewis. Many from Truckee will also go.

Takes Exam

Jack Stowe, supervisor of the Tahoe Campground State Park, went to Auburn this week to take a promotional exam.

In South

Mrs. Tom Wisdom and their little son, Scott, are visiting in the southern part of the state for two weeks. Tom and the boys, Dean and Gary, are batching at home.

Michael Davis was seven years old February 21, and several children attended a party in his honor.

All the children in our room made a 100 percent on their spelling test again this week.

First Grade: (Teacher, Ruth Croxen.) Jerry Neugebauer (Continued on Page Six)

NOTICE OF ELECTION

Truckee Public Utility District Nevada County, California

Pursuant to an order of the Board of Directors of Truckee Public Utility District, that the herein-after mentioned election be held:

NOTICE IS HEREBY GIVEN—

That the biennial General Election in Truckee Public Utility District shall be held on May 7, 1957, for the following purposes:

1. To elect one director-at-large for said District; and
2. To submit to the electors of said District the following proposition:

PROPOSITION: Shall the number of directors of Truckee Public Utility District be increased from 3 directors-at-large to 5 directors-at-large?

NOTICE IS ALSO GIVEN—That candidates may circulate nomination papers after February 26, 1957; and nomination papers must be filed with the Clerk of said District not later than March 23, 1957.

NORTH TAHOE

(Continued from Page Three)

Goes South

On February 12 Mary Abbott left to spend a week or so with her children in Sacramento and Bakersfield, but I am sorry to say she had to return to the Tahoe Forest Hospital after five days. She is now home and feeling better.

Moving

Was at Walt Bailey's for gas this morning and found no gas, as they are moving all equipment to both the Mobile station and also to the new building on Bear street, north, where all the painting and body work will be done.

Dated: February 28th, 1957. TRUCKEE PUBLIC UTILITY DISTRICT

Standard tries a flood of fire to make worn out oil fields produce again

Fire flooding produces heat and pressure to boil out previously unrecoverable oil, driving it underground to nearby producing wells.

MANY INACTIVE WELLS STILL HAVE LOTS OF OIL left underground in spite of the industry's great advances in oil recovery. Our country must have this oil to meet the growing power requirements of industry, the Armed Forces and motorists. That's why Standard is trying a new conservation experiment called "fire flooding."

We ignite some of the oil in a pool... control burning by regulating the air supply. Heat and pressure drive the oil to surrounding wells for pumping. It will take more than a year's time and a million dollars to see if fire flooding works. We think it's worth the effort because it could add more to U.S. underground oil reserves than the discovery of an entire new oil field.

Progress in the West means...

Helping find new sources to supply the oil U.S. will need in 1966

1956	1966
8,827,000 barrels per day	13,000,000 barrels per day

Standard's petroleum engineers say, "Back in 1925 the industry could predict only about 20% recovery from a new field. Modern secondary recovery methods, of which fire flooding is one of the latest, could more than double recovery."

STANDARD OIL COMPANY OF CALIFORNIA
plans ahead to serve you better

Know the value of what you own ASK FOR MY FREE HOUSEHOLD INVENTORY FOLDER

If fire strikes your home tomorrow, will you be able to tell which items were destroyed and their value? I have a handy folder on which you can list all your household goods and the present day replacement value of each. You can always give an accurate accounting of your loss with this folder. TRUCKEE..... A GOOD PLACE IN WHICH TO LIVE

The Community in which we live is the good place that it is because of what others have done before us. We are all indebted to the cumulative effort of everyone who has wrought and toiled before us, and each has the responsibility not only to pass on this heritage of achievement but to augment it for posterity.

We are earning a living, raising our families, enjoying life, and therefore we have the responsibility of adding our bit to make our community an even better place.

By SWANEE

(Phone Truckee 188)

Houseguests over the recent holidays at the home of Mr. and Mrs. R. McQuary of Truckee were Mr. and Mrs. Al Wutzke and children, "Butch" and Linda and Mr. and Mrs. T. LaConte and youngsters, Sue and Danny. Both families hail from the bay region and the men are traffic supervisors for P.M.T.

Mrs. Edith Trent became a grandmother for the first time on February 19, when her daughter, Carol, gave birth to a six pound, fifteen ounce little red headed, blue eyed girl in a Tucson, Ariz., hospital. The proud parents, Mr. and Mrs. Gordon Stewart, former Truckee residents, have not yet selected a name for the little lady as they had expected a boy.

Mr. and Mrs. Mel Thornton are pleased at the progress young son, Bill, is making in the Shriners' Hospital for Crippled Children in San Francisco following surgery on February 13. At present he is wearing a full length cast on his leg, his third since he was a baby, and after the stitches have been taken out this will be replaced by a short cast with a walking heel.

Mr. and Mrs. C. Bernard White and daughter, Marilee of Sacramento were guests over the holidays of the Wayne Poulsons at Squaw Valley where they enjoyed their favorite sport, skiing. Before returning home they visited with his parents, Mr. and Mrs. C. B. White in Truckee.

On Monday when I called Tahoe Forest Hospital I found George Bettencourt of Donner Lake still a patient. He was admitted on the 19th of February suffering from pneumonia but is reported today as greatly improved. Edith Trent was discharged from the hospital on Saturday following a siege of pneumonia.

Cards from my old Tahoe friends, Mr. and Mrs. Joe Henry, tell of the terrific heat they are

experiencing at Palm Springs where they met with other Tahoeites, the Floyd Carnells, the A. M. Andersons, the Norman Mayfields and the Martin Spitsens, all of whom are enjoying a winter vacation, and rounds and rounds of golf in the balmy climate. The Andersons later went on to Phoenix to visit friends, the Henrys having already been there.

Houseguests over the holidays at the Dave Rose home here included her brother, Howard Snider, and Tom Davis, both of San Francisco.

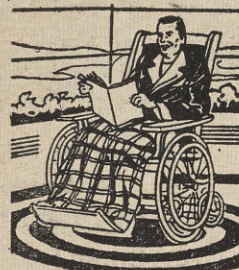

Mrs. Clark Burnham, Jr., of Piedmont, and children, Clark, Dena, Bonnie and Dary, enjoyed the recent holiday weekend at the family summer home on the banks of the Truckee near the entrance to Squaw Valley, where the youngsters greatly enjoyed the novelty of frolicking in the snow.

Mrs. Jeannette Mitchell and son, Dale, of Sunnyside, Lake Tahoe, and Mrs. Eleanor Swanson of Truckee, motored to Reno on Thursday, where Mrs. Mitchell and Dale were guests of Mr. and Mrs. Walton (Sandy) Saunders of Sparks, former Tahoe residents, and Swanee visited at the home of her daughter, Mrs. Marie Steenis. On Sunday the Saunders entertained the trio at turkey dinner, other guests including major Richard Sherwood of Stead Airbase, and Reno, and Mr. and Mrs. Jerry Minor and daughter, Kim, their neighbors.

This will probably be my last column from Truckee as I move back to Tahoe City tomorrow, Tuesday. Will make my home with my old, and good friend, Jeannette Mitchell who lives in the Sunnyside district. Regret leaving my good friends here, but am also thrilled to get back to my beloved old friends. Adios Truckee and hello Tahoe!

California produces better than 80 percent of the nation's apricots, grapes, avocados and certified alfalfa seed.

San Francisco is first in population growth per square mile among major cities.

TNT TIDINGS

By JUDE' COMMAGERE

One of the hardest workers at TnT is Miriam Zwarg, our cook. She came to TnT in 1953 from Nevada. Her job is easily defined, a cook, but have your ever cooked for about 300 people? Miriam's job is to see that TnT's are given a balanced lunch, five days a week, in a given length of time, to prepare the food, serve it, and maintain a clean kitchen. Miriam feels that her job at TnT is "the most interesting one she has ever had," and she expressed her gratitude for the cooperation and student help that she has been given. Miriam is doing an excellent job, not only in cooking, but in giving friendly service and keeping the kitchen spotlessly clean. Her "corn bread" is out of this world.

Electronics

The students were quite occupied during my interview with Mr. Norman Dewhurst, electronics teacher. I glanced at the blackboard and read, "Design an audio amplifier which will amplify frequencies down to 50 cycles. Use a 6sJ7 tube, and a power supply voltage of 250 volts." I couldn't have been more in the dark than if all the lights went out, but the students who were taking the test seemed to have learned another outstanding subject offered at TnT.

The purpose of electronics is to teach student the major meaning of electronics, its fundamentals, and why electronics is one of the greatest resources we have.

This course is divided into three major sections, of which the students work alternating weeks: theory, required laboratory work and optional laboratory, during which time the students build electrical equipment. They also study and practice the Morse Continental Code. Mr. Dewhurst stated that the second year electronics students were putting in a request for a third year course. This request will probably be granted, and why not? In the future, the world will work on electronic power.

Attend Last Rally

A very funny feeling hit many TnTers during the rally, Thursday. It doesn't seem possible that basketball season is nearly over, nor did it seem that we were attending the last pep rally of the year. To overcome this feeling TnTers yelled with all they had, and showed "Trem"endous school spirit, as our spirit leaders lead us in yells, the TnT Fight Song, and our Alma Mater. Mr. Jim Brehler expressed most everyone's feelings when he said, "Another season is nearly over, the best

season we have ever had."

To our Tahoe-Truckee band, cheerleaders, songleaders majorettes, coaches, football team, basketball team, ski team, Frank Aloisi, and to our faithful school spirit, "Trem," TnTers say thank you for upholding and helping support TnT's tradition and heart, sports and sportsmanship.

SCHOOL NEWS

(Continued from Page Four)
brought two records to share with us.

We won the PTA room prize this month.

Chad Salomon and Rosa Pinedo are now reading in new books.

Second Grade: (Teacher, Helen Trask.) Gail Englehart, Susie Olano, Mary Ann Moore, Frances Barrett, Kathy Braasch, Timmy McLane, Donnie Whiteneck, Gary Waters, Jack Melugin and Raymond Fitzsimmons have finished reading "Just for Fun."

Frances Barrett celebrated her birthday on Thursday and brought cupcakes to share with the class.

Kathy Braasch, Jack Melugin, Bill Waters, Nickie Kenyno, Susie Olano, Darlynn Ingalls, Len Vind, Frances Barrett, Gail Englehart and Cathy Braley have brought records to share.

Third Grade: (Teacher, Arlene Roth.) We have three new boys in third grade. Zed Kirkpatrick returned from Oregon, Leroy Whitehead and Walter Dallas have transferred from Nevada.

Reports about Abraham Lincoln, George Washington, and Valentine's Day were given by Anne Morey, Debbie Ellis, Kristin Melixer, Chuck Trainor and Betty Saarni.

Fourth Grade: (Teacher, John Stever.) Winning the spelling championship of the room were Wade Mosby and Marcia Leamon. Runner-ups were Linda Banyard, Peggy Berger, Danny Garcia, Judy McGinn, David Sorani, Wilana Curran, David Fordham, Tony Kenyon and Donna Haune.

Lunch cards were handled by Marcia Leamon, Wade Mosby and Judy McGinn.

Donnie Thomas received the award for the best picture of a dugout canoe.

Fifth Grade: (Teacher, Olio Tiff.) Those making a perfect score in spelling were Bonnie Fair, Bruce Strickler, Susanna Sciutto, Steve Besio, Leonard Hensley, Zeke Romo, Liane Kay, Ronald Brown, Dianne Cardinal and Sandra Malsavage.

Mrs. Braasch visited school Wednesday.

The map committee, Steve Besio, Charles Hill, Robby Kaspian, Strickler, Ronald Brown, Jim Randall, Karey Kielhofer and James Hamilton have completed the maps of United States.

Sixth Grade: (Teacher, Ruth Roberson.) Ramona Perry, Lloyd Kunkler, Sheryl Swager, Janice Roth and Dennis Whiteneck turned in perfect arithmetic papers in their test.

Pamela Rose and Ginger Barnes have almost completed their map illustrating and elevations and regions of South America. Jim Grady is working on a special report about the balsa wood industry and Gene McGinn is illustrating his report on petroleum.

General: (Truckee Elementary School.) Marcia Leamon and Wade Mosby, representing the fourth grade, Suzanne Sciutto and Karey Kielhofer, representing the fifth grade, and Kathy Curran and Pamela Rose, representing the sixth grade, competed in the school's annual spelling contest. Suzanne Sciutto won the school championship and was presented with a pin in honor of her achievement by L. T. Kishbaugh. Suzanne will represent Truckee Elementary School in the district contest.

Mrs. Ruth Croxen, first grade teacher, assisted Mr. Kishbaugh with the contest. Karey Kielhofer placed second in the event.

THE MARK OF A REALLY SMART PERSON

The mark of a really smart person is not necessarily a college diploma or a Phi Beta Kappa key. It might be simply a record of carefully-considered actions.

To "know it all" would be wonderful — if we humans could absorb that much knowledge in a lifetime. Next best is to seek and accept the advice of experts, particularly your Doctor.

Visit him frequently. Follow his directions carefully. Bring your prescriptions to us to be filled, and take the medicine he prescribes regularly.

Such cooperation is the best course possible for preservation of your health, and it marks you as a really smart person.

Tarzan

by EDGAR RICE BURROUGHS

THE FUGITIVE FROM LUANDA CRAFTILY
EVADED TARZAN, THEN ATTACKED FROM
AMBUSH!

THE AMERICAN FOUGHT FURIOUSLY, BUT SOON
SUCCUMBED TO THE
OVERPOWERING
MIGHT OF
TARZAN.

"NOW TALK," COMMANDED THE JUNGLE LORD. "WHO
ARE YOU, AND WHY DO
YOU HIDE? AND WHO
IS THIS MAN GOMEZ?"

THE AMERICAN GRIMACED. "MY NAME
IS KEVIN POYLE-- THE ONLY OWNER
OF A COFFEE PLANTATION THAT
DOESN'T BELONG
TO GOMEZ--"

"THE FAT SWINE
BROUGHT MONEY TO
LUANDA TO BUY UP
ALL THE 'FAZENDA',
OR PLANTATIONS,
AND THUS CONTROL
THE EXPORT--"

DICK
VAN BUREN
JOHN
CELARDO

"HE ALSO CONTROLS THE
POLICE," SAID POYLE
BITTERLY. "HE URGED
THE COMMANDANTE TO
FILE A HEAVY TAX ON
MY LAND--"

"I COULDN'T PAY, SO
GOMEZ SENT OUT
HIS CUTTHROATS. I
FLED TO KEEP FROM
BEING MURDERED--
BUT ACCORDING TO
'LAW' I AM A
CRIMINAL!"

NO DOUBT ABOUT IT--ONE
GUST OF WIND AND THAT
WHOLE (UGH!) VILLAGE IS
SUBMERGED IN A
HUNDRED FEET OF
FREEZING
SNOW!

THAT'S THE TOWN OF (SHUDDER)
HOPELESS GULCH--A BLOT ON
THE MAP OF THE COUNTY, STATE
AND NATION FOR OVER A HUNDRED
YEARS. BUT WHILE THEY'RE
STILL AMERICAN CITIZENS,
WE'VE GOT TO SAVE THEM!

LOOK ANY CLOSER
T' TUMBLIN' TODAY,
NEIGHBOR?

MITE!! NO TELLIN'
WHEN IT'LL TAKE A
MIND T'SLIDE!!

YOU AIMIN'
T' MOVE OUTA
ITS WAY?

THINKIN'
(YAWN)
ABOUT IT!

THE WHOLE
COMMUNITY OF (UGH)
HOPELESS GULCH
WILL HAVE TO BE
MOVED OUT OF
THE PATH OF THE
AVALANCHE TO
SAFETY!

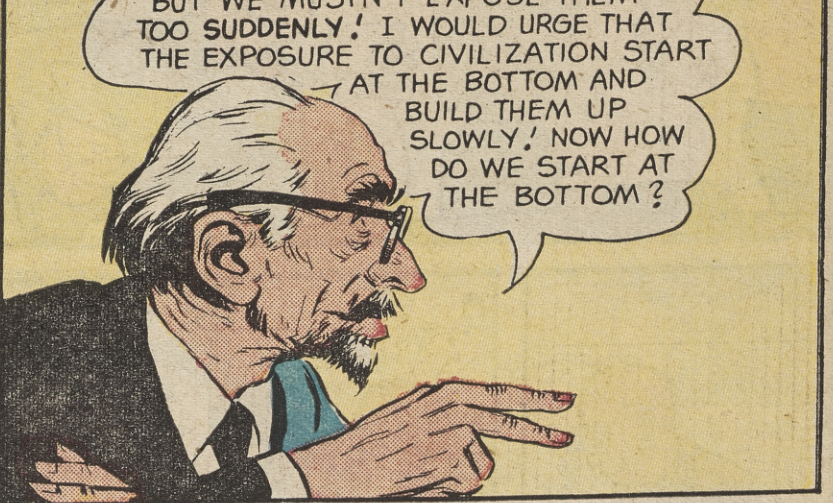

IT MIGHT BE
A BLESSING IN
DISGUISE. THIS
WILL GIVE US
A CHANCE TO
REHABILITATE
THAT ENTIRE
WRETCHED
VILLAGE!!

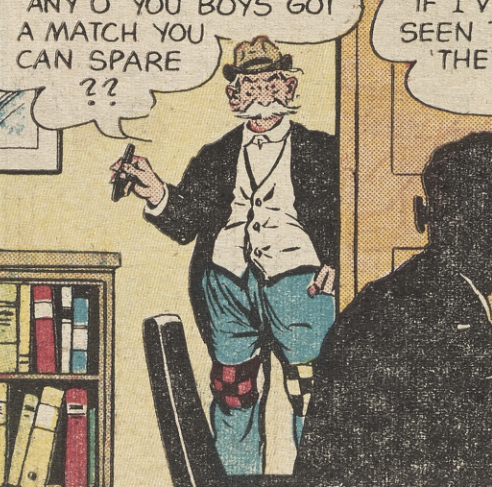

PUT THOSE SHIFTLESS DREGS OF
HUMANITY IN NEW SURROUNDINGS,
EXPOSE THEM TO THE BETTER THINGS
IN LIFE AND WE MIGHT BE ABLE
TO CREATE USEFUL CITIZENS
OUT OF THEM!

BUT WE MUSTN'T EXPOSE THEM
TOO SUDDENLY! I WOULD URGE THAT
THE EXPOSURE TO CIVILIZATION START
AT THE BOTTOM AND
BUILD THEM UP
SLOWLY! NOW HOW
DO WE START AT
THE BOTTOM?

ANY O' YOU BOYS GOT
A MATCH YOU
CAN SPARE
??

IF I'VE (GASP) EVER
SEEN THE BOTTOM OF
'THE LADDER-- THIS
SPECIMEN
IS IT!!

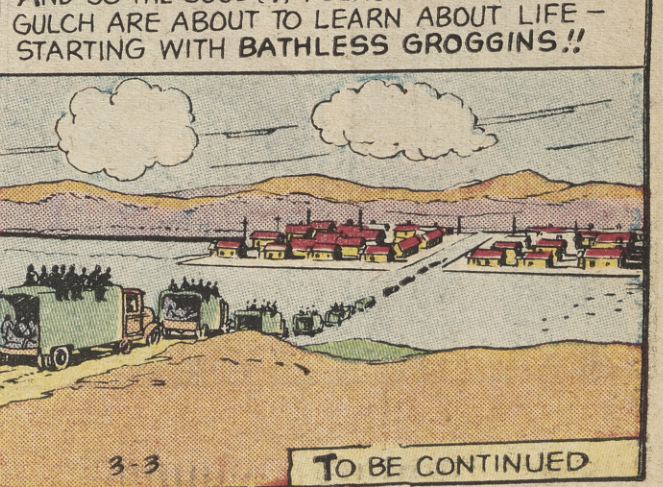

EASY, BUSTER--
I'M A ONE-SUIT
MAN AND YOU'RE
WRINKLIN' MY
JACKET!!

AND SO THE GOOD(?) FOLKS OF HOPELESS
GULCH ARE ABOUT TO LEARN ABOUT LIFE--
STARTING WITH BATHLESS GROGGINS!!
